

# To the Pointe Newsletter

MARCH 2019

## Dear Parents and Guardians,

Happy March – we made it through February...what a crazy month! We have two more dance days before the March Break holiday, and I wanted to make sure that I got my monthly newsletter off right away!

As I'm sure you have noticed, we are in full recital mode at the studio. Our Pre Ballet 1 dancers have begun preparing for their performance of "Snow White", and all of our other dancers are getting ready to showcase their talent in our 13<sup>th</sup> annual production "I Wish..." on *Friday, May 10<sup>th</sup> and Saturday, May 11<sup>th</sup>*. More and more of each class is being dedicated to learning the choreography and rehearsing the piece – we are making steady progress, and things are starting to take shape. At this point attendance is crucial; **please strive for perfect attendance until the show**. Not only is it imperative to be in each class for the "team", but the more comfortable the dancers are with the material, the better their recital experience will be. We have a big "surprise" for all of the dancers the week after March Break, but I'm sure that anyone who takes a class in the yellow studio already knows what it is! Sparkles, and rhinestones, and sequins...oh my! I'll send out a 'good news' email before the Monday class on March 18<sup>th</sup>.

The big recital package will be handed out beginning on Monday, March 25<sup>th</sup>. You'll receive the dress rehearsal schedule, ticket order forms, volunteer forms, and a list of what each dance style requires for the show. Please make sure to check your dancer's bags, as sometimes the handouts do not make it into parents' hands!

Also, please remember Saturday dancers – we have class this weekend. The Saturday holiday for March Break is on the 16<sup>th</sup>.

As always, there is never a dull moment at TGAD – this newsletter will give you an overview of the events offered over the next few months.

*Sincerely,  
Briana Lynch*

# PARKING LOT

With great relief, the construction on Phase Two of 225 Hanlon Creek Blvd. is coming to an end, and the extension of the parking lot is now open to our families. Please use the additional parking found to the east of our unit to drop off/pick up dancers.

For the safety of our families, dancers, and faculty DO NOT drop your dancer off on the curb if you are facing the Hanlon (east). Please treat the parking lot as two-way traffic, do not cut across the centre lane. I will be speaking to our new landlords about painting two-way arrows on the pavement as a reminder. If you plan to drop your dancer off curbside, please use the Phase Two parking lot like a turn around spot and drop them off on the proper side of the road. Your diligence is greatly appreciated.

- **Theme TBD as soon as possible**

The event runs from 5:00 – 8:00 pm: 5:00 – 5:15 drop off, an hour dance workshop from 5:15 – 6:15 then pizza, juice, water, snacks and the movie in Studio A finishing at 8:00 pm. Admission is \$20.00, payable when you register.

## CHANGE ROOMS – no electronics

May I please ask all parents to use the reception area to wait for their dancers, and not stay in the change rooms while the classes are running. Please, of course, help your dancers get dressed if they require assistance, but then relocate to the reception room to wait. The older girls who need to change feel uncomfortable when adults are working in the change rooms while they are using them. Also, for the

safety and comfort of our students, avoid the use of your electronics in the change room, especially if it has a camera.

## BALLET EXAMS 2019

Registration for our fourth year of Ballet exams was submitted to the Royal Academy of Dance yesterday – we have 57 participants this season! Coaching classes are the weekend of March 23<sup>rd</sup>/24<sup>th</sup>, March 30/31<sup>st</sup>, April 7<sup>th</sup>, and April 12/13<sup>th</sup>. Good luck dancers!!

## LOST AND FOUND

If you are missing parts of your dance uniform, please check the Lost and Found station at the end of the hallway by the “Girls Only” washroom. We have clothing, water bottles, boots, and dance shoes. **PLEASE MAKE SURE TO WRITE YOUR DANCER’S NAME IN THEIR DANCE SHOES...**they all look the same, and we don’t want you to have to buy a second pair.

## INCLEMENT WEATHER POLICY

If the weather turns nasty again, I’d like to lease a fleet of Zambonis to drive around Guelph and pick up our dancers. If only wishing could make it so..

Just in case, here is a reminder of our weather policy.

- **If buses are cancelled, but schools remain open – we will be open for dance classes.**
- **If both buses and schools are cancelled – the studio will be closed as well.**
- **If schools are cancelled due to cold weather – check your email for updates.**

Special exceptions may apply if a horrendous snow storm starts later in the afternoon, we will keep our eyes on the weather network and will confirm by email to all families. We aim to run classes as much as possible, but as always, please use your discretion.

If you are not sure, please call the studio; we update the answering machine message as well as the [website](#) and [Facebook page](#) to help get the information across. The decision to run or cancel classes will be made by 2:00 pm to allow as much time as possible.
